

DISTRICT EVENT HIGHLIGHTS

SGVD Spring Council/District Music Competition is scheduled for Friday, March 13, 2026 at the Grace Black Auditorium in El Monte, CA.

We love supporting our students from our own Music Competition. Last year we had a full house and we believe that was very helpful to our candidates. We have several members planning to join the students and parents.

The 70th Annual SGVD Convention is being planned in Duarte as a 2 day event this year as By Laws changes are being considered and voted on. This makes the event seem long but we get so much from networking with the other clubs. It is very inspirational and wonderful to see ourselves as part of a much larger group because we are!

If you have not yet attended a larger event like the Convention, it really is **a must do** at least once on your Woman's Club bucket list. Optimally, we would love to get a table of members to go. Costs have not been posted yet but if you need assistance, see the article on page 7. Costs will be determined by attendance and meals; it's so close so we are not planning to stay over and will be carpooling!

The SGVD Kindness Angel Luncheon on Saturday, February 21, 2026 is where our own 'Angel' Margarita Vargas was honored. We'll be sure to highlight with pictures in next month's Lark Notes! *We hope you enjoyed your day Margarita!*

MEMBER UPDATE - *Corrections*

We must apologize...we mistakenly identified our new member as *Josie Flores* in the last Lark Notes. New Member **Josie Lopez** is not in the Yearbook. Please forgive our mistake!

SPUD BUNCO NEWS

Many thanks to everyone who joined us for a great baked potato lunch followed by a rousing game of Bunco! Thank you to Suzanne Perez who organized our lunch and to all who donated such a great array of toppings. So delicious!

We raised \$346 towards maintenance fees and 22 in all attended. We are off to a great start with this first Game Day of 2026, let's keep the momentum going. Check out the Lark Notes for our social activities that raise funds for some great causes.
